

PUSTAKOPAHAR

As per the order of Kendriya Vidyalaya Sangathan, the PUSTAKOPAHAR programme is organized in all the Kendriya Vidyalayas across the country at the start of new session. As it is known that the main goal of organizing this programme is to conserve the environment, save paper, save trees, clean India, green India, etc. Many programs to protect the environment, from time to time at the school level, spread the message of environmental protection to the entire nation. Kendriya Vidyalaya is also playing a strong role through the students. Under this programme many students exchanged their pre-class books to needy students. Following details of books exchanged by students in the year 2019 -
